

Melissa Morales

Project Manager & Construction Coordinator

melissamcanon@gmail.com · +57 313 646 6863 · Medellín, Colombia · linkedin.com/in/melissamcanon · B1/B2 U.S. Visa Holder · Bilingual EN/ES

PROFILE

Project Manager and Construction Coordinator with 7+ years delivering complex builds across retail, hospitality, healthcare, and residential sectors. Architectural training provides a technical edge — able to bridge design intent and structural execution. Proven track record managing 6+ concurrent projects, bilingual stakeholder communication (EN/ES), and a proactive, solution-oriented approach that keeps projects on time and on budget.

CORE COMPETENCIES

End-to-End Project Coordination	Budget Preparation & Cost Control	Risk Identification & Escalation
Subcontractor & Supplier Management	Cross-functional Stakeholder Communication	Procurement & Purchase Orders
Milestone & Schedule Tracking	Site Supervision & Quality Control	Regulatory Compliance

WORK EXPERIENCE

Administrative Site Resident — Project Coordinator

CM Morales S.A.S | Jan 2024 — Present

- / Lead end-to-end coordination of the PRANIK COLIVING project (1,608 m²): scheduling, procurement, team oversight, and regulatory compliance for a 36-room hospitality renovation in Laureles, Medellín.
- / Track project milestones, deliverables, and deadlines across subcontractors and suppliers; escalate risks proactively to project leadership.
- / Manage administrative documentation: budgets, purchase orders, progress reports, and weekly status updates for stakeholders.
- / Coordinate structural reinforcements, facade overhaul, elevator installation, and emergency stairway execution within scope and budget.

Site Resident & Project Coordinator

Espiral Studio | Dec 2021 — Dec 2023

- / Managed 6+ concurrent commercial construction projects across retail and food service, coordinating budgets, personnel, and materials from kickoff to handover.
- / Prepared and monitored detailed project budgets; identified cost variances and implemented corrective actions.
- / Coordinated B2B communications with clients, contractors, and suppliers on behalf of the lead architect/PM.
- / Notable projects: IKEA Viva Envigado, Bodytech Éxito Robledo, Dollarcity Éxito Itagüí, Bimbo Itagüí plant.

Site Resident & Space Personalization

Contacto Arquitectura | Apr 2019 — Dec 2021

- / Coordinated construction execution across healthcare, corporate, commercial, and residential sectors; managed schedules, budgets, procurement, and team assignments.
- / Prepared cost estimates for residential and commercial remodeling projects.
- / Key projects: Cedimed health centers, Arus cooperative HQ, Restaurante Akashi, residential model units.

Design & Facilities Management Intern

Tigo Une | Jan 2018 — Jun 2018

- / Designed interior workspace layouts compliant with occupational and safety standards.
- / Managed planimetry updates and space adaptation projects across multiple corporate locations.
- / Coordinated logistics for office relocations and facility improvements.

EDUCATION

Bachelor of Architecture

Universidad de San Buenaventura, Medellín | Graduated 2018
